

**LMES Media Center Happenings  
Storybook Pumpkin Contest**

Students and families in all grades are invited to participate in the Storybook Pumpkin contest in which **pumpkins are transformed into favorite book characters!**

**RULES:**

1. Students/families must bring the decorated pumpkin to LMES Media Center on **Tuesday, October 23rd, by 9:00 AM**. The Media Center will be open at 8:10 AM.
2. Please choose a pumpkin that is no larger than 10 inches in diameter. Pumpkins that are carved or pierced in any way will not be accepted since these will be on display in the media center.
3. Families are encouraged to decorate the pumpkin together. Make it a fun activity, but please let your children do as much of the work as possible.
4. Parents must pick up the pumpkin on **Tuesday, Oct 30th**. Any pumpkins remaining after school may be thrown away.

During the week of October 23rd, all students will vote for the best representation of the book character. The winners will receive a prize and all participants will receive a certificate of participation. The lasting reward is re-reading a favorite book and creating something as a family!

Happy Reading and Decorating!
